

Easy Raw Chocolate Truffles

Making these is as much fun as eating them and (practically) 'guilt free'!

Add a 'slug' of something you fancy to make them even more special.

Ingredients:

- 1 cup hazelnuts
- 2 cups almonds
- 1/2 cup raw cacao powder or a good quality organic cocoa powder
- 1/2 cup agave nectar
- 1/2 teaspoon vanilla essence

Here's How:

- Grind the seeds together in a food processor until fine
- Add remaining ingredients and process into a dough
- Roll into balls
- Serve coated with a dusting of cocoa powder or dessicated coconut

Delicious!
